PROFILE

Entrepreneur, growth marketer and product-minded business builder with experience founding and scaling businesses across pet care, digital marketing, electric mobility and QSR/F&B. Experienced in identifying market opportunities, building commercially focused strategies, developing brands and driving customer acquisition. Combines business ownership, marketing, technology-enabled execution and founder-level leadership to turn ideas into scalable businesses.

PROFESSIONAL EXPERIENCE

Benefood Corporation Pvt. Ltd. Feb 2025 – Present

Co-Founder & Head of Marketing

- Co-founded and built Brazzer Momo, a QSR-led momo brand, from scratch with a differentiated, attention-first brand strategy.
- Developed brazzermomos.com, a direct-ordering and delivery web app for consumers, using Claude to build a brand-owned digital ordering channel and encourage orders outside third-party aggregators.
- Built a highly viral brand identity that attracted a public shoutout from the original Brazzers brand and engagement from personalities associated with it.
- Scaled social media reach into the millions through viral content, creator engagement, community-led marketing and performance campaigns.
- Grew the business to approximately ₹12 lakh monthly revenue with ~15% EBITDA from a single outlet.
- Developed the franchising model and helped establish the brand for scalable multi-outlet expansion.
- Currently developing a new smash-burger brand, taking it from concept toward pre-revenue launch.

KEY IMPACT: ~₹12L monthly revenue | ~15% EBITDA | Millions of social reach | Franchise model launched

Okaya Electric Vehicle Pvt. Ltd. Jun 2024 – Feb 2025

Senior Marketing Executive

- Led market analysis, audience research and competitive intelligence to inform performance and brand campaigns.
- Planned and managed campaigns across Google Ads, Facebook Ads and LinkedIn Ads, including A/B testing and landing-page optimization.
- Conducted keyword research and campaign optimization for GSN/GDN and performance-led acquisition.
- Worked across Search, Display, Mobile, YouTube, Shopping, Analytics and PPC advertising environments.
- Managed budgets across performance marketing channels and optimized campaigns toward higher-intent leads.
- Contributed to the launch of a new electric motorcycle through ATL, BTL and digital planning, including awareness and teaser campaigns.
- Supported the rebranding transition from Okaya EV to OPG Mobility by developing digital funnels and brand communication strategies.

KEY IMPACT: Multi-platform performance marketing | EV launch | Brand transformation / rebranding

Oddeves Global Pvt. Ltd. Mar 2023 – May 2024

Founder & CEO

- Founded and scaled a digital marketing agency serving established brands across performance marketing, e-commerce and brand development.
- Built a recurring retainer business generating approximately ₹5–6 lakh in monthly retainers.
- Worked with brands including Cantabil, Okaya, Microtek, Eve's Beauty and other businesses across multiple categories.
- Developed end-to-end digital strategies aligned with client business objectives, including market research, competitor analysis and channel planning.
- Managed multi-channel campaigns across Meta, Google, SEO/SEM, email and social media.
- Built and optimized an e-commerce website for Eve's Beauty and supported online sales through Meta and Google campaigns.

- Delivered performance marketing for Cantabil with ROAS of 6–7 and approximately 90–100 average daily orders within one month.
- Delivered performance marketing and brand development for Map India with ROAS of 8–9 and approximately 700–800 weekly webinar registrations.

KEY IMPACT: ₹5–6L monthly retainers | ROAS 6–7 for Cantabil | ROAS 8–9 for Map India | Multi-brand agency

PetScoob Technologies Pvt. Ltd. Nov 2020 – Feb 2023

Founder & CEO

- Founded a pet-care startup during the first year of college and led the business across product, marketing, sales, operations and growth.
- Built the company to approximately ₹8–10 lakh monthly revenue with around ₹70–80K monthly EBITDA.
- Used business cash flow to help fund personal education while continuing to grow the company.
- Won multiple college-level startup competitions through pitching, business strategy and execution.
- Recognized with the 'Best Start in Petcare of the Year' award by Pet Fed.

KEY IMPACT: ₹8–10L monthly revenue | ~₹70–80K monthly EBITDA | College startup competition wins | Pet Fed recognition
